Subject: Sampling Schedule for Dimock Jan 23-27, 2012

Regional Labs,

The sampling schedule is as follows. If sampling occurs on a Friday -- will you be able to accommodate Saturday delivery? (Region 9 already provided information for Saturday delivery.) Please let me know if there is a different address/procedure for Saturday delivery

Monday	1 home	2 samples
Tuesday	2 homes	4 samples
Wednesday	4 homes	8 samples
Thursday	4 homes	8 samples
Friday	4 homes	8 samples

That's 30 samples + QC

Will you be able to handle this number of samples? We anticipate sampling to continue for 3 weeks -- so as soon as I know the schedule -- I will let you know.

Let me know if you have other contacts for this information that I should add to the email list.

Thank you,

Stevie Wilding, Chemist
